

### Four night road biking trip in Majorca

This is a four night road biking holiday based at the beautiful family run Read's hotel. Reads is perfectly situated for challenging cycling in the Tramuntana Mountain range and close to flatter areas for warm up biking and less demanding flatter country rides. This holiday includes one full day private guiding with our local biking expert and the remaining days are self-guided.

4 nights road biking holiday including breakfast, 3 dinners per person, 3 massages per person, carbon road bike hire, cycling map of the island and one day private guiding from £1165 per person including flights. **Trip Details**

- Length** 4 days / 4 nights
- Flights** Flights to Palma Airport transfers available on request
- Activity Level** All levels of cycling ability, from beginners through to very advanced
- Cost** From £1165 per person, based on 2 sharing
- Includes** 4 nights accommodation, daily breakfast, 3 dinners per person, 3 massages per person, carbon road bike hire, one day private guiding from £1195 per person including flights London to Palma

*\*This is just a sample itinerary which can be modified to meet your particular requirements, taking into account how long you wish to stay, how much private guiding you would like and how many massage treatments are included.*
